

Parent Consent

Instructions:

On the occasion that a minor (under 18) seeks to volunteer for the children's ministry (like a teen in the nursery), permission is needed from the parents or guardians of the applicant. It should be understood that volunteer status as a minor does not have the same position, for primarily legal reasons.

I, _____, the guardian or
parent of

herewith permit said applicant to volunteer at Radiant Christian Life Church. I will help oversee that he or she follows church policies and I will positively encourage he or she to be faithful in serving the Lord. I will communicate any concerns I have to the church leadership.
